

How would the community like
to organise itself for Exascale?

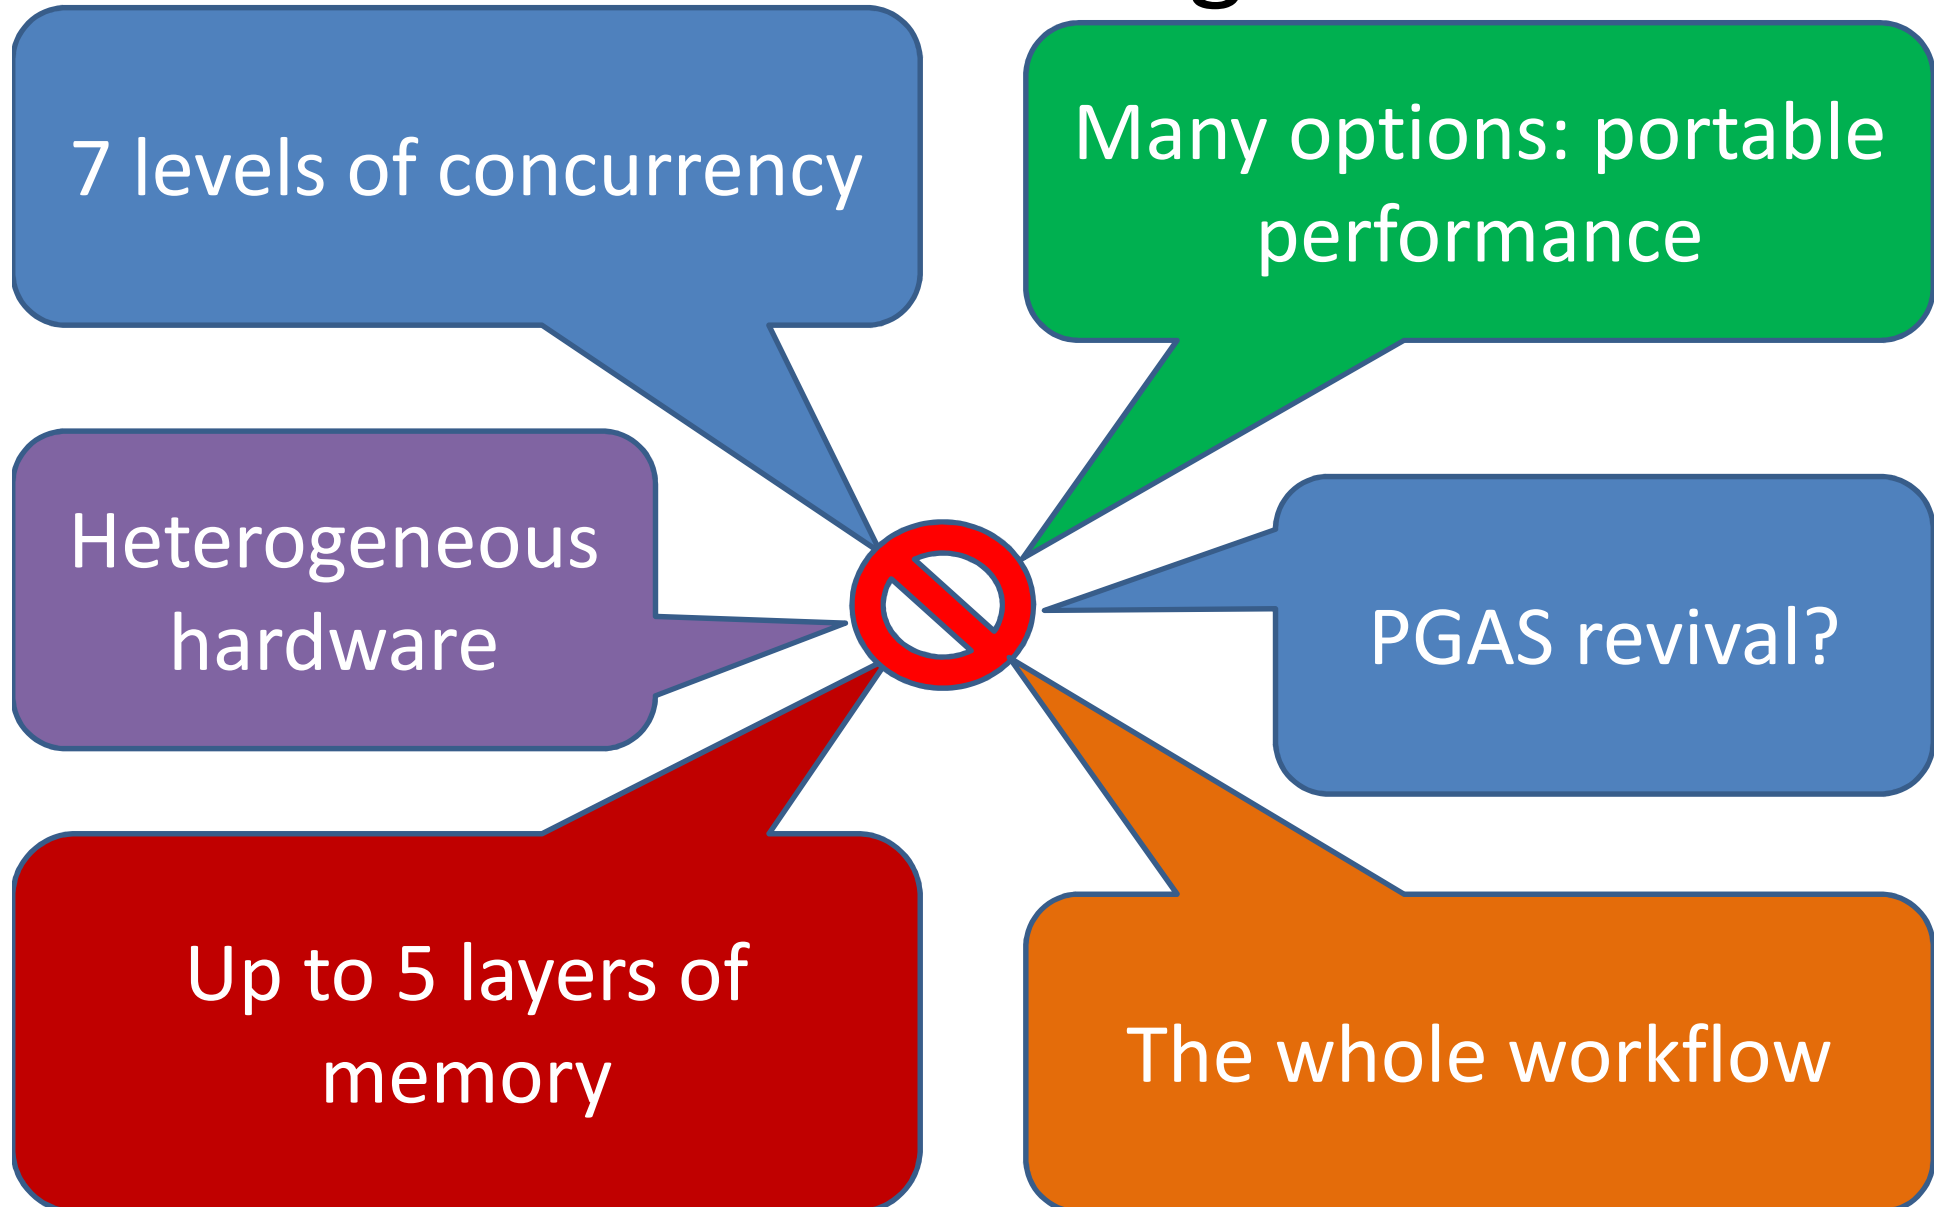

Community aspects

Some quotes from the work shop

The challenge

The challenge

... and today's answer

Yet another:
Exchange tool

We have what we want
at our centre

We have implemented
separation of concerns
in our own way

A bottom up approach
is OK by me

Some opportunities?

Coordinated interaction
with: EXDCI EoCoE PoP

What do we want from
future EU (H2020) calls?

ESiWACE
Governance
Initiative

Coordinated
national funding?

WMO: Seamless, HPC,
Technology, Standards,
Coupling

... An invitation to share
our vision
... I think we should be
talking
